Visualization Renderings
Easton, MA

Project size:
Commercial Corridor

General Contractor:
N/A

Client Reference:
Old Colony Planning Council &
Town of Easton Planning
Department

Representative Visualization Renderings

Provided renderings to accompany proposed zoning amendments. The renderings depicted three phases of development: 1) full build-out of new construction, 2) infill development utilizing existing buildings, and 3) sidewalk and landscape improvements only in both aerial view and streetscape perspective. Additional renderings for sidewalk widening and bicycle lanes were also prepared for public viewing.
