"Before the renovation process began, I wasn't able to picture the house in any other way than how it was when I was growing up. When the renovations were completed, the transformation was incredible. I realized that a totally new home had been created. I now have a home I love on a sentimental piece of property that has been in my family for over one hundred years. I never could have done this without Anthi!"

~Homeowner

### Renovated Kitchen and Bath

Recently completed, the renovation for this home includes updating a 1960's ranch to a more modern living arrangement with an open living/kitchen area along with an updated bath.
