"Anthi worked with us prior to the purchase of our waterfront property and we found her to be creative, professional and responsive to our wishes throughout the design process. Anthi's drawing of the exterior enabled us to envision how beautiful the finished structure would be. And we are thrilled with the way it turned out!"
~Homeowner

Waterfront Home

Full Design Services were provided for the construction of this summer home on the waterfront. Consideration was given to entertaining and multiple sleeping areas for out of town guests that arrive during the summer months.
