Drawing the right conclusions

Hotel Rooms
Harwich, MA
(while employed as Project Architect by Polhemus Savery DaSilva)

Project size:
5,200 SF

General Contractor:
Polhemus Savery DaSilva
Shawmut Design &
Construction

Client Reference:
Wequassett Resort on
Pleasant Bay

Aging 4 unit buildings replaced over a period of time with new state of the art 8 unit buildings. The design solution emphasized capturing water views from all 8 units and placed heavy emphasis on guest comfort and experience. This was a fast paced, detail-oriented project that demanded excellence throughout the entire design and construction process..
